Sir:

PETITION TO EXPUNGE UNDER 37 C.F.R. § 1.59(b)

On November 29, 2010, Applicants filed a one-page document, which is identified in PAIR as an "Oath or Declaration filed" in addition to a Petition for Extension of Time and an Amendment After Final in the above-identified application. Applicants soon thereafter determined that the filing of this "Oath or Declaration" was an inadvertent error and respectfully request that the one-page "Oath or Declaration" be expunged from the file and the record of this patent application.

The one-page document entitled in PAIR as an "Oath or Declaration filed" is neither a declaration nor related to the above-identified application. Rather, it was privileged correspondence with a different client (client 05999 versus client 09875) regarding a wholly unrelated matter (application no. 10/509,044) and was inadvertently

matched with the papers for filing in this patent application. The intended document, a Declaration under 37 C.F.R. § 1.132 that is 6 pages in length, was filed later on November 29, 2010.

From the foregoing, it is clear that the one -page document is unrelated to the above-identified patent application and does not constitute a Declaration under 37 C.F.R. § 1.132. For this reason, Applicants request that this Petition to Expunge be granted, and that the one-page document identified in PAIR as an "Oath or Declaration" filed on November 29, 2010, be expunged from the file wrapper and the record of the above-identified application no. 10/565,299.

This Petition is being filed electronically and the \$200.00 petition fee is being paid by credit card. Please grant any extensions of time required to enter this response, and charge any additional required fees to Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
GARRETT & DUNNER, L.L.P.
